## FULL-TIME VOCATIONAL DANCE COURSE

Director – Tracy Hawkes RTS. ARAD. SDS. IdB(1)

### THE COURSE

The three-year, full-time dance course at the **DANCE FOR ALL**, provides an **intensive, thorough training for students who wish to pursue a career as a dance artiste and/or a dance teacher**. The school is **working in collaboration with Jewel and Esk College** and the course **incorporates HNC/HND qualifications**, preceded by an Introduction to Dance Performance Certificate. For the serious, vocational dance student, **this is the only dance course in Scotland that offers an HND in dance alongside a complete professional dance and dance teacher training**. We are able to offer all the support of an accredited school, which equips its students with the reputable training that is required for a career in their chosen profession.

The core of the course focuses **on classical ballet, jazz and modern dance techniques** with a commitment to providing the breadth of training that will enable students to achieve their individual potential and to aspire to work in as wide a field of dance as possible. To this aim, the wide range of classes includes **Classical Ballet**, along with **RAD higher grades and vocational syllabus** classes, **ISTD Tap, Modern** and **National, Contemporary Dance, Street Dance, Singing, Drama** and **Musical Theatre, Body Conditioning, Flamenco, Dance History, Benesh Notation** and **Anatomy**.

The school is an **officially approved centre for teacher training** and the professional qualifications that can be achieved on the course include the RAD vocational examinations, teacher training **and ISTD Diploma in Dance Instruction (DDI)** and **Diploma in Dance Education (DDE)**. These are considered essential qualifications in the world of dance teaching and are recognised internationally.

Students are **given opportunities to perform** in many school productions and to produce their own **choreography**. More advanced students are often able to participate in productions with visiting dance companies and may also be offered **agency work**, relevant to their course and level of proficiency.

**DANCE FOR ALL** and its staff have strong links with the dance profession and students gain many opportunities to work with dancers, teachers and choreographers of the highest calibre, establishing **links for future employment** in Scotland and abroad. Many graduates of **DANCE FOR ALL** have gone on to perform in West End and National theatres, theme parks, cruise ships and resorts. A number of graduates have either opened their own Dance Schools or teach in dance schools and colleges throughout the UK and internationally. Others have become choreographers and show directors.

### FEES: 2011-12

The three-year professional dance course is being run in collaboration with the Jewel and Esk College of Further Education. Eligible students will receive funding from Jewel & Esk College for the Certificate and for HNC/HND fees, and bursaries and student loans are available through the college for travel, equipment and, for the over 18's, maintenance. However, all students are personally liable for £3330 supplementary fees for the full course and examination fees for RAD and ISTD exams. **Some extra tuition fees** will be due for the individual tutorial fees incurred on the ISTD teaching course - **Diploma in Dance Instruction (DDI)** and **Diploma in Dance Education (DDE)**. Students who are not eligible for Certificate & HND fees (ie: they have received funding for equivalent courses already) will be charged fees by Jewel and Esk Valley College for the Certificate and HND part of the course.

### ENTRY REQUIREMENTS

Students are accepted on to the course through audition and interview. Previous dance experience is necessary, along with physical aptitude, artistic potential and the capacity to respond to the demands of full-time vocational dance training. If appropriate, entry may be gained directly into second year as long as the required level of training has already been achieved.

### COURSE DATES AND TIMES

The course runs in three terms from the beginning of September to the end of June. Normal daily hours will be between 9am and 5pm, with some variations depending on the amount of rehearsals or examination syllabus work a student is undertaking.
